# MEMBERS' CONTRIBUTION FUND TRUST

## Annual Report - 2023

### HISTORY

#### **Fund Establishment:**

In August-1995, the Governing Board of Directors of Lahore Stock Exchange (LSE) established the Members Contribution Fund (MCF) with an initial amount of Rs. 10 million. The members were to contribute @ 1/2 paisa on the value of transactions of Rs. 100/- routed through LSE's Clearing House. In October-1997, the Governing Board of Directors of Lahore Stock Exchange resolved to transfer the 15% of the amount of the MCF into the separate account of LSE Investor Protection Fund.

Accordingly, in August-2006 the Trust Deed of the MCF Trust with the approval of LSE Board of Directors and the SECP was executed and registered with the registrar concerned and the Chairman LSE, MD LSE and the Directors of LSE were appointed as the Trustees of the MCF Trust.

#### **Fund Generation:**

Since September-2005, as per the composition of LAGA charges, the transaction rates for both the MCF and IPF had been collected @ 0.0008925% per transaction till the date of Integration of Stock Exchanges i.e., January 11, 2016 from Members/TREC holders on weekly basis. As per direction of the Commission in November-2011 a separate bank account of the MCF Trust was opened and the amount of Rs. 55.4 million was transferred into the separate account of the MCF Trust.

#### **Demutualization and Integration:**

During the year 2012, under first phase of the Stock Exchanges (Corporatization, Demutualization and Integration) Act, 2012 the stock exchanges were demutualized and became public companies and the brokers (earlier called members) were issued the shares of the public company (Lahore Stock Exchange Ltd.) along with the Trading Right Entitlement Certificates (TRECs).

#### **Role of SECP, Terms & Conditions of the Trust and Execution of Trust Deeds:**

In the year 2015, under the second phase of the Stock Exchanges Act, 2012 the stock exchanges were entered into the Scheme of Integration which was executed by January 11, 2016 under the Integration Order of the Commission and accordingly, Lahore Stock Exchange Ltd. ceased to be the stock exchange while converting into NBFC.

In continuation of the Stock Exchanges Act, 2012 the Commission issued the amended Stock Exchanges (Corporatization, Demutualization and Integration) Regulations, 2012 dated, December 17<sup>th</sup>, 2015. Under Regulation No. 15 of these Regulations, the Commission constituted the Funds Committee (replacing LSE) for oversight of the Trust Funds of LSE and also nominated its members.

Accordingly, the Commission also sent the amended Trust Deeds as per the amended Regulations for onward execution by the Trusts in which the composition of the Trustees is also mentioned. The Commission also granted its approval for the appointment of the new Trustees of these Trust Funds as per recommendation of the Funds Committee for LSE as per given composition in the Trust Deeds.

**MEMBERS' CONTRIBUTION FUND TRUST**  
**Annual Report - 2023**

**Fund Distribution and Interest Income and Its Utilization:**

Currently, the Trust is entertaining all the claims of the cases against the defaulted Members/TREC holders of erstwhile LSE prior to the date of Integration i.e., January 11, 2016 as well as the claims against the Ex-TREC holders of erstwhile LSE inducted by Pakistan Stock Exchange (PSX) relating the post Integration period.

As per requirement of the Settlement Guarantee Fund of National Clearing Company of Pakistan Ltd. (NCCPL) a bank guarantee amounting Rs. 102 million determined as per actuarial value of the TREC holders of erstwhile LSE has been provided to NCCPL.

**Dissolution of Fund:**

**It is hereby certified** that currently, these Trusts are in transitional phase and this arrangement is on temporary basis. As per the Regulation 19(9) of the amended Stock Exchanges (Corporatization, Demutualization and Integration) Regulations, 2012, after meeting all claims, liabilities, with the permission of the Funds Committee, both the MCF and TCF Trusts shall be dissolved by the Trustees and any surplus assets, if any, shall be transferred forthwith to the Customer Protection Compensation Fund established and maintained in accordance with the regulations and rules for the Customer Protection Compensation Fund under Sections 169(2)(h) and 175(2)(c) of the Securities Act, 2015 within such time as may be determined by the Commission.

The same had been incorporated in the last executed amended Trust Deeds as per direction of the Commission in the clause relating Integration and Winding up of the Trust.

# Annual Performance Review

# Report of the Funds & Operational Manager of the IPF, TCF &MCF Trusts of LSE, on the financial performance of the Trust Funds for the periods ended June 30, 2023

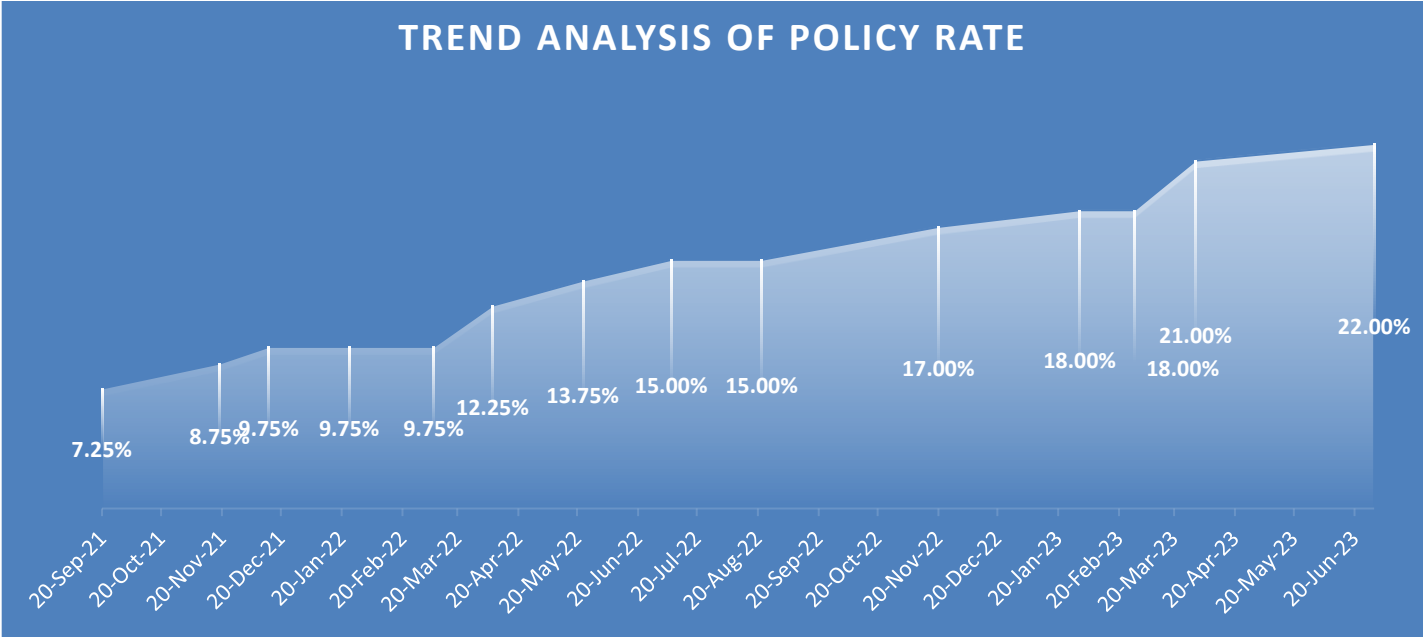

The Management of LSE Financial Services Ltd. is pleased to present its report to the Funds Committee and the Board of Trustees of IPF, TCF & MCF Trusts of LSE, on the financial performance of the Trust Funds for the period ended June 30, 2023.

We are to confirm that all the investments of the Trust Funds were strictly made and efficiently managed as per the Investment Policy, approved by the Board of Trustees of the three Funds, with the aim to protect the principal amount through diversification, avoiding concentration risk and to maximize the profits through efficient tax management.

## POLICY RATE

During the period under review, the Monetary Policy Committee (MPC) increased the policy rate by 1 % from the previous policy rate. Which is now 22.00% per annum.

During the period, our profit rate on TDRs ranged from 16% to 20.70% p.a., The PLS account profit rate of the Banks is 19.50% p.a. The Funds were invested in Govt. Treasury bills, TDRs as well as placed in PLS accounts of MCB Bank Ltd., Allied Bank Ltd., and Bank-Al-Habib Bank Ltd., having the following rating:

Trust	Bank	Rating		SBP Policy Rate/annum	SBP Weighted Avg. Policy Rate/annum
		Long Term	Short Term		
IPF	MCB Bank Limited	AAA	A1+	22.00%	18.00%
MCF	MCB Bank Limited	AAA	A1+	22.00%	18.00%
TREC	MCB Bank Limited	AAA	A1+	22.00%	18.00%
	Allied Bank Limited	AAA	A1+		
	Bank Al-Habib Limited	AA+	A1+		
Govt. Treasury bills				23%	

Based on projected cash flow, only the minimum required cash amount was maintained in the PLS accounts of the banks to cater for the regular payments related to fund management fees, meeting fees, misc. expenses, etc. of the trust funds. The remaining balances were kept invested in 3-month T-bills and TDRs with a profit at maturity.

Note: The major chunk of the trust(s) fund is marked under lien with MCB Bank against Bank Guarantees issued to PSX and NCCPL. Due ADR (Advance to Deposit Ratio) requirement of SBP the MCB bank was not agreeing to offer or even match market-compatible rates, therefore, the under-lien funds were invested in T-bills at more lucrative rates and marked as lien against BGs. Now the bank has discontinued the free BG Facility due to a change in collateral. Nevertheless, the 1.5% yield has been enhanced by switching of collateral. The financial impact of this is around PKR 10.5 million annually.

As a result, the net income from the investment during the periods was achieved in the following manner:

During the year, an amount of Rs. 10.7 million was paid from IPF trust to PSX as BMC arrangement on behalf of Equity Master a defaulted TREC holder. Last year an amount of PKR 6 million was contributed from the same fund for the settlement of Wasi Securities claimants.

At the close of the financial period, i.e., on June 30, 2023, the investments of the Funds and net cash position are recorded as under:

In FY 2022-2023, the Management had successfully managed the tax exemptions u/s 151, therefore, no tax was deducted at source during the period.

The exemptions under section 2(36) of IPF and TCF Trusts funds have been reapplied, whereas, the exemption for MCF remains valid till June 30, 2024.

#### **Future Outlook:**

Monitory Policy Committee (MPC) in its meeting on June 26, has decided to increase the policy rate from 21.00% to 22%.00 i.e. 100 BPS. In view of upcoming foreign payments amounting to USD 24 Billion, increasing inflation constant pressure will be kept on PAK Rupee. A decrease in the discount rate is forecasted to be highly unlikely. The total portfolio of the funds has been invested at an average of 21 % to 22 % p.a. for 3 months T-bills and TDRs. The short to medium-term horizon of the policy rate is unlikely to change and maximum upside 1% or downside 1% deviation can be expected.

# **Audited Financial Statements**

**INDEPENDENT AUDITOR'S REPORT  
TO THE TRUSTEES OF LAHORE STOCK EXCHANGE MEMBERS'  
CONTRIBUTION FUND TRUST****Opinion**

We have audited the financial statements of LAHORE STOCK EXCHANGE MEMBERS' CONTRIBUTION FUND TRUST (The Trust), which comprise the statement of financial position as at June 30, 2023, and the income and expenditure statement, statement of changes in funds and reserves, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust as at June 30, 2023, and of its financial performance and changes in its funds and reserves and its cash flows for the year then ended in accordance with approved accounting and reporting standards as applicable in Pakistan.

**Basis of Opinion**

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to the matters stated in note 7 to these financial statements which describes the uncertainty related to the outcome of the legal cases being contested by and against the Trust. Our opinion is not qualified in respect of this matter.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Management is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

The Trustees of the Trust are responsible for overseeing the Trust's financial reporting process.

## Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Trust's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditors' report is Syed Ali Adnan Tirmizey.

# LAHORE STOCK EXCHANGE MEMBERS' CONTRIBUTION FUND TRUST

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED JUNE 30, 2023

#### 1 Legal status and activities

The Lahore Stock Exchange Members' Contribution Fund Trust (referred to as the "LSE MCF Trust" or the "Trust") was established by the erstwhile Lahore Stock Exchange Limited (referred to as "LSE") vide Trust Deed registered on April 14, 2006. The Trust was established for the purpose of taking timely, orderly and efficient steps necessary to protect the interests of the 'Members' of LSE through protection of the Clearing House and to generate earnings of the Fund for the said purpose in accordance with regulations of the LSE, as amended from time to time. Pursuant to the Scheme of Integration under Stock Exchanges (Corporatization, Demutualization and Integration) Act, 2012 (referred to as the "Act") read with Regulation 11 and 12 of the Stock Exchanges (Corporatization, Demutualization and Integration) Regulations, 2012 (referred to as the "Regulations") as amended on September 5, 2015, LSE surrendered its stock exchange license, being the transferor stock exchange under the scheme of integration, and continued to exist as a public company limited by shares. Accordingly, from the effective date of Integration of stock exchanges of Pakistan (i.e., January 11, 2016), the Trading Right Entitlement Certificate holders (referred to as "TREC" holders) of erstwhile LSE were inducted by the successor stock exchange namely Pakistan Stock Exchange Limited (the "PSX" - formerly: Karachi Stock Exchange Limited) and necessary amendments to LSE MCF Trust Deed were made through amendments to MCF Trust Deed dated, February 11, 2016 to give effect to these requirements.

The Regulations provided for the establishment of a "Funds Committee" for LSE MCF Trust as well as for TREC Holders' Contribution Fund Trust (the "TCF Trust") and Investors' Protection Fund Trust (the "IPF Trust"). Thus, the Funds Committees were appointed and constituted by the Securities and Exchange Commission of Pakistan (the "SECP") according to Part V (Regulation 17-18) and Part VA (Regulation 19) of the Regulations as amended on December 17, 2015. These regulations provided that from the effective date of integration of the stock exchanges of Pakistan or as may otherwise be determined by the SECP, the Trustees of LSE MCF Trust shall transfer such amounts as may be determined by the SECP, remaining after the settlement of the claims, liabilities and incidental expenses determined by the Funds Committee, to the Clearing and Settlement Guarantee Fund established and maintained by the National Clearing Company of Pakistan Limited (NCCPL) as per the actuarial valuation contribution. Any balance amounts after these payments shall, however, be transferred by the Trustees to any centralized customer protection compensation fund established and maintained in accordance with rules and regulations for the Customer Protection Compensation Fund under section 169(2)(h) and 175(2)(c) of the Securities Act, 2015 within such time as may be determined by the SECP.

The Trust is an approved Non Profit Organization under section 2(36) of Income Tax Ordinance, 2001 and as disclosed in related notes to these financial statements, is entitled to a tax credit equal to 100% of its tax liabilities.

#### 2 Basis of Preparation

##### 2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standard, as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise the Revised Accounting and Financial Reporting Standard for Small-Sized Entities (AFRS for SSEs) issued by the Institute of Chartered Accountants of Pakistan.

##### 2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention.

##### 2.3 Functional and presentation currency

These financial statements have been presented in Pakistani Rupees which is the Trust's functional currency. All financial information presented in Pakistani Rupees has been rounded off to the nearest Rupee, unless otherwise stated.

##### 2.4 Use of estimates and judgments

The preparation of financial statements in conformity with Revised Accounting and Financial Reporting Standard for SSEs issued by the Institute of Chartered Accountants of Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and related assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances.

**LAHORE STOCK EXCHANGE MEMBERS' CONTRIBUTION FUND TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2023**

These estimates and related assumptions are reviewed on an ongoing basis. Accounting estimates are revised in the period in which such revisions are made if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods. Significant management estimates in these financial statements relate to the provision for taxation. However, the management believes that the change in outcome of estimates would not have a material effect on the amounts disclosed in these financial statements.

**3 Summary of Significant Accounting Policies**

The significant accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented unless otherwise stated.

**3.1 Provisions**

A provision is recognized in the statement of financial position when the Trust has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation and of which a reliable estimate can be made. However, provisions are reviewed at each reporting date and adjusted to reflect current best estimate.

**3.2 Taxation**

**3.2.1 Current**

The charge for current taxation for the year is based on taxable income at the current rates of taxation after taking into account tax rebates and credits available, if any. The Trust is an approved Non Profit Organization under section 2(36) of Income Tax Ordinance, 2001 and is entitled to full tax credits equal to tax liability as per section 100C of Income Tax Ordinance, 2001.

**3.2.2 Deferred**

Deferred tax is recognized using the statement of financial position liability method on all temporary differences between the carrying amount of the assets and liabilities and their tax bases. Deferred tax liabilities are recognized for all major taxable temporary differences.

The carrying amount of the deferred tax asset is reviewed at each reporting date and is recognized only to the extent that it is probable that future taxable surplus will be available against which the assets may be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Unrecognized deferred tax assets are reassessed at each balance sheet date and are recognized to the extent of probable future taxable profit available that will allow deferred tax asset to be recovered.

The Trust has not recorded deferred tax for the reporting year in these financial statements since the management believes that temporary differences will not arise because Income of trust is subject to hundred percent tax credit for all applicable taxes.

**3.3 Other payables**

Liabilities for other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services received, whether or not billed to the Trust.

**3.4 Contingent liabilities**

Contingent liability is disclosed when there is a possible obligation that arises from past events and whose existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Trust.

A contingent liability is also disclosed when there is a present obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits would be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

**3.5 Cash and cash equivalents**

For the purpose of statement of cash flows, cash and cash equivalents comprise bank balances. Cash and cash equivalents are carried at cost in statement of financial position.

**LAHORE STOCK EXCHANGE MEMBERS' CONTRIBUTION FUND TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2023**

**3.6 Receivables**

All outstanding receivables are reviewed at the reporting date. The Trust recognizes and carries these receivables at original invoice amount less an allowance for uncollectible amounts, if any. Bad debts are written off as incurred and provision is made against debts considered doubtful when the collection of full amount is no longer probable.

**3.7 Financial instruments**

The Trust accounts for its financial instruments as per Revised Accounting and Financial Reporting Standard for Small Sized Entities (SSEs). The management determines the classification of its financial instruments at the time of initial recognition. The Trust classifies its financial assets as basic financial instruments initially measured at fair value. Subsequently, these financial instruments are measured at amortized cost. Financial assets are derecognized when rights to cash flows from financial assets are settled or expired and financial liabilities are derecognized when these are extinguished.

**3.7.1 Short term investments**

These investments are financial assets with fixed or determinable payments and fixed maturity and are carried at amortized cost because the management has the intention and ability to hold such investments till maturity.

**3.7.2 Offsetting of financial assets and liabilities**

Financial assets and financial liabilities are offset and the net amount is reported in the financial statements only when the Trust has currently legally enforceable right to set-off the recognized amounts and the Trust intends either to settle on a net basis or to realize the assets and to settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in normal course of business and in the event of default, insolvency or winding up of the Trust or the counter parties.

**3.8 Income recognition**

Income on investments and bank deposits are recognized on accrual basis when the right to receive the interest is established.

**3.9 Related party transactions**

Transactions with related parties are carried out on arm's length basis. Pricing for these transactions are determined on the basis of comparable uncontrolled price methods which sets the price by reference to comparable goods and services sold in an economically comparable market to a buyer un-related to the seller.
