- 3.3 **Trading Right Entitlement Certificate Holders Contribution Fund Trust** operates in a wide variety of cultures; as such it needs to take a culturally sensitive approach with regards to mainstreaming a gender perspective in the TCF Trust's work;
- 3.4 the full participation of both men and women in all **Trading Right Entitlement Certificate Holders Contribution Fund Trust** activities not only ensures gender equality, but also increases the efficiency and effectiveness of the work of the TCF Trust;
- 3.5 although the primary task of **Trading Right Entitlement Certificate Holders Contribution Fund Trust** is to ensure gender sensitivity in their existing program, they may also implement projects to assist special groups of men or women, if local situations so require. To achieve this goal, **Trading Right Entitlement Certificate Holders Contribution Fund Trust** shall:
 - 3.6 put in place institutional procedures, which ensure that the needs of boys, girls, men and women are all met equitably in disaster response, vulnerability reduction and the provision of health and other services;
 - 3.7 formulate measures to ensure that gender-specific vulnerabilities and capacities of men and women are systematically identified and addressed;
 - 3.8 ensure that data on beneficiaries is disaggregated by sex for needs assessment and program planning and gender analysis is integrated into program design, delivery, monitoring and evaluation;
 - 3.9 design strategies for capacity building in gender mainstreaming as part of institutional development program with special attention to staff training on gender analysis skills;
 - 3.10 ensure that reporting and accountability mechanisms for activities and results in gender mainstreaming are put in place. This includes performance evaluations, budget allocation analysis and actions to enable the full participation of men and women on an equal and meaningful basis in **Trading Right Entitlement Certificate Holders Contribution Fund Trust** activities at all levels.
